

Funded in part by a grant from the California Department of Resources Recycling and Recovery (CalRecycle)

Recycle all household batteries for free, wherever you see this sign in Del Norte County

Don't forget to tape your terminals!

To recycle batteries, follow these steps:

1. At home, completely tape at least one end of each battery, using masking, electrical, or duct tape. Corroded batteries should be stored in their own separate plastic bag.
2. Bring in your batteries to one of the locations below.
